Micro Bio

Hoshea is the well-accomplished speaker and trainer on the principles of the Torah.

He has influenced thousands with his insights, which he cultivated from the personal development he received from multiple Rabbi's over the years including; Rabbi Ralph Messer, Rabbi David Hargis, Rabbi Dominick Zangla. Pastors, leaders, schools and church communities have felt his impact elevating their understanding of the Torah and its place in their maturation.

With over thirty years experience in the administration of deliverance and fifteen years sharing principle-based deliverance, Hoshea speaks and facilitates training for congregations, colleges and associations both nationally and abroad and is highly regarded by those who have experienced his workshops first-hand. Though called to serve the young urban community, he can help any person from any walk of life, in the area of addictions, co-dependencies and instability in their faith with the Messiah.

Through utilizing the wisdom keys laid out by Hoshea not only are individuals set free but in turn, they also learn how to set others free.

"I spent six weeks with you and it has changed my life! No one is out there teaching the stuff you are teaching!"

Potential Questions

From the back of the book "Soul Bondage"

Soul bondage reveals the keys to loosen where you may be bound. If you are ready to break the bondage attached to your soul and are tired of seeing the people you care for, continue to suffer without any solution to offer them. Then this is the book for you. Break cycles of lack and shame then offer others an opportunity to live in freedom as well.

Question 1: What is this "Soul Bondage" you are referring to in your book and why does it matter?

Question 2: You say that "...the biggest epidemic we are faced with today is infirmity." Explain to us what exactly is that?

Question 3: What is a recent battle you had to overcome and what did you learn from the experience?

Question 4: Tell us about principle-based deliverance.

Plug: Where should people go if they want to connect with you or learn more about you?

Potential Questions

An excerpt from the book "Soul Bondage"

The Torah offers us the function of how our families should be, but since we have left the principles of our forefathers, the dysfunction seems to be what we are familiar with.

Question 1: What is the difference between function and dysfunction?

Question 2: You say that "...we need the principles of our forefathers." What is wrong with the principles we are learning now?

Question 3: Tell us about your functional chart.

Question 4: From your experience what should someone expect from coming into function?

Plug: Where should people go if they want to have you come out to share?

The Man	The Woman	The Beast
Provider	Nurtures	Lawless (iniquity)
Protector	Incubators	Soulish (emotions)
Visionary	Resource	Instinctive (nature)
Cultivator	Garden	Geo Centric
Disciplinary	Help-Meet	Weak
Law Giver	Holy Spirit - Grace	Mixed (indifferent)

"Boker Tov ach. The most high has truly blessed your assembly, as I read this book, this is exactly where I am fighting in my life but when I try to explain it to Christians and some Hebrews, It's like I'm talking crazy. A lot of people can't understand what I'm talking about I am going to definitely precept this book in my teachings from now on!!!"

-Phinehas Israel, Community Leader / New Orleans, USA

"First off I just want to say this book is amazing. Full of wisdom and understanding on why we go through what we go through with evidence from scripture. This book is perfect for people who are wanting to transition to the next level in their life spiritually. I have been strengthened in one of the worst times of my life just by reading this book.

The guidance and revelations revealed are more than just words. It's whats needed to help us overcome the soul bondage we've repeatedly been in for years and years. Thank you again"

Potential Questions

An excerpt from the book "Soul Bondage"

My goal is to offer these natural/earthly principles according to the Torah and to show the associated spiritual principles. This will give you the ability to fight the Adversary on terms and grounds he must legally abide by. Many of us have tried to operate or understand the supernatural while not recognizing the 'natural' before the 'super' is added.

Question 1: You are faced with the challenge of sharing the Torah with a westernized, hellenistic culture. How do you explain it?

Question 2: You teach the law yet you say "...we are no longer under the law." How do those two things work together?

Question 3: How has the Torah impacted your life personally and how did it help you grow?

Question 4: Tell us about the spirit of the Torah.

Plug: Where should people go if they want to connect with you or book you for a training session?

"This was an excellent read. I've actually never heard anyone deal with deliverance in this particular way. Often times you hear people complain about the Bible and its subject matter and refer to it as this archaic book, however, this book brings some fresh insight and practical application to a very important topic.

If this book can't help you personally, the wisdom found within it will surely help someone you know. ITS A MUST READ!!!"
